Aug. 18 1892.
My Dear Edith.

I presume
you are expecting a letter
from us and unless
I write it I fear you
will not receive one
very soon. For Archie
has no more time for
writing than when you
were here and you
know how busy he
was then.

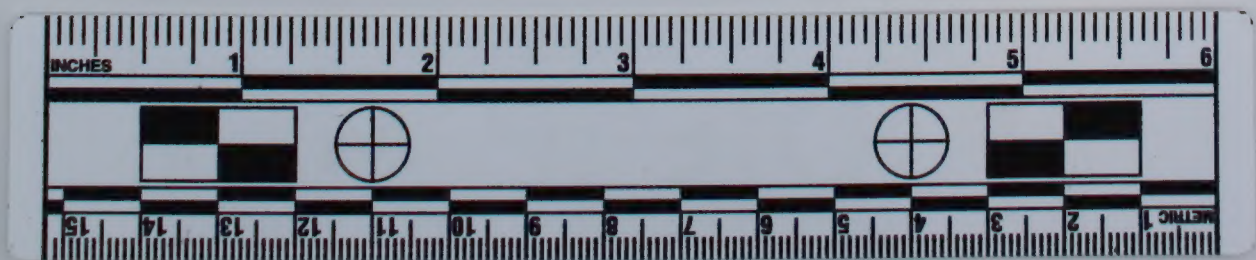

And Fatie is attending
the Shinnerian Business
College. she leaves here
every morning on the St.
cars about 8 o'clock
and returns about

glad to know she was
going and wished her a
pleasant time. she said
she would write to you.
I was very sick for a few
days last week. I had a
high fever for a while and
thought it was typhoid. But
was happily disappointed
for I am well as usual
again. I am taking treatment
of Mr. Anderson and will
likely have to continue a
while. I have not yet
been able to wash this
week. I had a great deal
to do to get Jennie ready
and since she has gone
I have been trying to rest.
We have not yet moved
but Archie is trying every
day to find a house but
has no success. I am
preparing every day for
moving and hope we

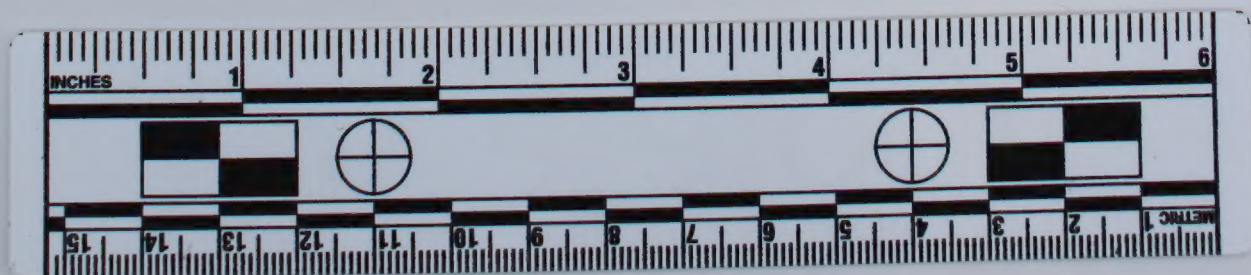

a great burden to him
or something else.
They are not your friends
just remember and I am
glad you did not visit
them. I am proud of your
profession and I hope you
are too and don't get
discouraged and if your
health does not fail you
will succeed.
Woolf writes that they are trying
to collect Archie's journals
and Moll is trying to concen-
trate all his property. So it
is going to be difficult
to collect. but they are
nevertheless going to be
sightly hard to get. He
has appointed a friend
of his in Alliance to
attend to the business
and Archie is calculating
on buying us a home at
the settlement place.

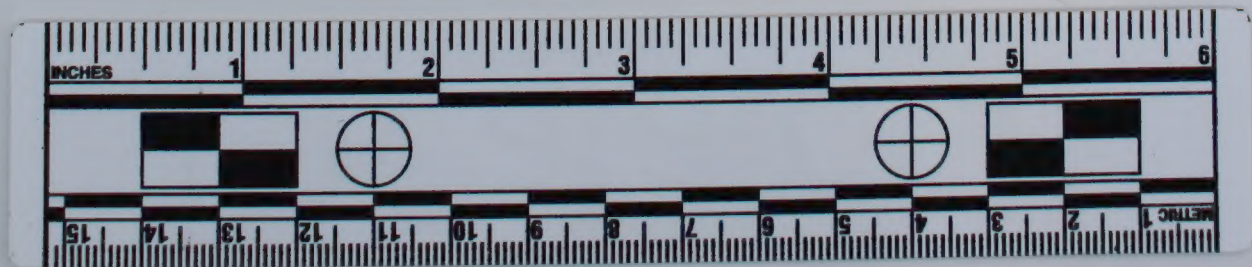

came by the first of Sept.
The weather is warm and
dry. Katie has just returned
and I have sent her to
get bread and oatmeal cakes
for her supper.

Katie says aunt Mary could
not realize she was going
until she got ready to go.
when she felt awful.
I am worried when I think
of the poor miserable woman
Harbelle and her mean
and she hates her so I fear
he will kill her. Katie
has seen him kick her
and curse her awfully
and she don't have any
friends to go to.

When Frank heard of your
having been here he said
he hoped you would
get married soon
just as if you were

O yes you wanted to know
about Nell B. marriage;
Well it was quite a quiet
affair. They were married at
The M. E. Parsonage so she
says in her every day dress.
That Brown. and that
day she washed and
burned a basket of coal
to cook their dinner. and
have not yet returned
it. and the old man
wanted to borrow two
dollars of Archie and
Archie refused him and
I guess they are all mad.
For Nell does not come over
any more she called to
Ebbie one day and asked
why we did not come over
and congratulate her &c.
and asked many questions
about Katie if she had a

gold watch and she
said I am not my
own boss any more
I can't come over
she is getting real
fat, and he is their
booth then all the time
now. Her has finally
got work at something
here in town.
I am real glad she
stays away and so
is Katie.

Aug 19 - Yours.

I've just received your
card and love of the
envelope of my letter
and addressed it
to Brunswick.
The one dollar you sent
came all right.
I am afraid you will
have scarlet fever!

Mrs. Fritzel has been
very sick and Mr.
Hudson attended her
a good Mr. Bill for her
there was 9 loads of manure
hauled away since
and a hired girls bill
to be paid. Mr. Pollock
is now on the sick list.

Katie. just now tell me
her teacher told her this
eve that she is making
better progress than
the average scholars
good for Katie.
Short hand or Shorthand
is her study.
English course is common Branches as
